

Notice for any pro se (unrepresented) divorce filing

This Circuit has a Family Law Information Center that reviews pro se divorce paperwork free of charge.

Effective January 1, 2024 by administrative order, the Judge's office will not set a court date before the paperwork has been reviewed by a FLIC staff member, with limited exceptions.

If you file your paperwork without having it reviewed first, you could experience significant delays.

Contact 770 533-7712 to talk with a FLIC Staff member to set up an appointment.
